Yes, You're Invited Inc (Y2i2)

At Yes, You're Invited, our mission is simple: inclusion. We are dedicated to making sure every child feels included and celebrated, despite special needs or other barriers. Our quarterly community birthday parties highlight 3-5 "Special Guests" with a birthday party, and also bring together families of similar life circumstances. Many of our guests have never been invited to a birthday party or had one of their own. We make it possible for those with limited social interactions to engage, have fun, and, most importantly, be themselves in a safe, fun, educational environment.
