COLLABORATING TO KEEP FLAGLER COUNTY SAFE

Help create a safer Flagler County by enrolling in our Community Camera Sharing Program!

Sharing your camera feed enables the Flagler County Sheriff's Office to respond to incidents at your location faster and equips deputies with advance knowledge of the situation. It will keep our residents and business owners safer and build closer ties within our community.

INCREASING SAFETY. RESPECTING PRIVACY.

- Our new Connect Flagler County Program enables you to share live video feeds with the Flagler County Sheriff's Office in emergencies to improve community safety and law enforcement response.
- Access to your cameras is conditional upon mutual agreement between you and the Flagler County Sheriff's Office and will only be accessed for proactive monitoring for criminal activity, during a criminal incident or emergency at your location.
